

# Jason Mraz, What It Takes

It takes a crane to build a crane  
It takes two floors to make a story  
It takes an egg to make a hen  
It takes a hen to make an egg  
There is no end to what i'm saying  
It takes a thought to make a word  
And it takes a word to make an action  
It takes some work to make it work  
It takes some good to make it hurt  
It takes some bad for satisfaction  
La la la la la la life is wonderful  
Ah la la la la la la life is full circle  
Ah la la la la la la life is wonderful  
Al la la la la  
It takes a night to make it dawn  
And it takes a day to you yawn brother  
It takes a mood to make you young  
It takes some cold to know the sun  
It takes the one to have the other  
It takes no time to fall in love  
But it takes you years to know what love is  
It takes some tears to make you trust  
It takes some years to make it rust  
It takes some dust to make it polished  
Ah la la la la la la life is wonderful  
Ah la la la la la la life is full circle  
Ah la la la la la la life is so full of  
Ah la la la la la la life is so rough  
Ah la la la la la la life is wonderful  
Ah la la la la la la life is full circle  
Ah la la la la la la life is our love  
Ah la la la la la  
It takes some silence to make sound  
It takes a loss before you found it  
It takes a road to go nowhere  
It takes a toll to know you care  
It takes a hole to make a mountain  
Ah la la la la la la life is wonderful  
Ah la la la la la la life is full circle  
Ah la la la la la la life is oh love  
Ah la la la la la la love is all sorts of  
Ah la la la la la la life is wonderful  
Ah la la la la la la life is full circle  
Ah la la la la la la life is holla holla  
Ah la la la la la la next up bushwalla-walla  
Ah la la la la la la life is wonderful  
Ah la la la la la la
