

# Jason Upton, One Of These Days

I want to go where the sun always shines  
Where people are peaceful with no battle lines  
Where children are playing in innocent ways  
I want to go there one of these days

I want to go where the leaves are all turning  
And lifes only certain to be wonderful  
Where water is plenty but skies never grey  
I want to go there one of these days

Some say that Im only dreaming  
And that this cant be true  
But my faith has only been increasing  
Since the day that I met you

One day were going where love never dies  
Where no one is hungry no empty eyes  
And joy is abundant in everyones praise  
Were going to go there one of these days

One of these days we're going to go over to Jordan  
Where justice will roll down like water  
One of these days we're going to go over to Jordan  
Where justice will roll down like water
