

# Javeon, Javeon - Lovesong

You ask for forever, I don't want forever  
I don't wanna talk about it.  
You're making no promise end it for mornings  
I wanna find a way around it.

If we take this further someone will get hurt  
No there's just no doubt about it.  
Let's not complicate this  
I like it the way it is  
Drama I could doubt it.  
Drama I could doubt it.

Don't call it a lovesong  
Don't call it a love.  
Don't call it a lovesong  
Don't call it a love.  
Don't say I'm your only, don't say I'm the one  
Don't say I'm the only, don't say I'm the one  
You know that there's no need to end what's begun  
So don't call it a lovesong  
Don't call it a love.

You wanna label this I don't wanna label  
Just find the way it is.  
And I want to be there for you, got to be careful  
It's not what you think it is.

I'm fallin' before and this time I am sure that I'll take my time within,  
But believe when we get there, you know you belong here  
Just you and only me.  
Just you and only me.

Don't call it a lovesong  
Don't call it a love.  
Don't call it a lovesong  
Don't call it a love.  
Don't say I'm your only, don't say I'm the one  
Don't say I'm the only, don't say I'm the one  
You know that there's no need to end what's begun  
So don't call it a lovesong  
Don't call it a love.

Don't call it a lovesong  
Don't call it a love.  
Don't call it a love.

I'll fight in, I'll fight in, I'll fight in, I'll fight in
