

Javier, A Song For Your Tears

How am I suppose to let go of this feeling
How am I suppose to erase this image of your sweet face
When it seems like just yesterday we made a promise of love that I'm about to break
How can I walk away after all these years and all I can give you is a song for your tears

Now we both know that the light of our love has been fading
When I come home tell you about my day you don't hear a word that I say
We carry on like nothing's wrong
We can change all the words, but it's the same old song
Now I've got to say what we don't want to hear and all I have left is a song for your tears

We can try to disguise what we're both feeling inside
We learned how to love
We learned how to cry
Can we learn how to say goodbye

So it's time, the cards are all out on the table
I've packed up my bags, I'm ready to go, but there's something I want you to know
Everyday that we shared I'll never regret and the love that we made I will never forget,
But all of those days have long disappeared and all that remains is a song for your tears,
All that remains is the heartache and pain.....

I know I made a promise to you baby, but I was wrong, so wrong
I'm so sorry baby
I'm so sorry baby
