

# Javier, Slow Motion

do do do do do dodo do do do do dodo  
oooooohhh oooohhh oooooohhhhhh

Goin in, I knew what I was gettin into  
Never thought I'd be so predictable, so weak  
Somethin' bout the way she looked at me  
It was the day, she was lookin out the window as she drove by  
Lip gloss smile and brown eyes  
Everything thing stopped (pause)  
(She was so hot)

(thee angle of her chin  
the color of her skin)

When she saw me stare  
She acted like she didn't care  
(I didn't say a word, but my intensions were)  
To touch her and kiss her  
I never thought forever

(chorus)  
Have you ever known a girl  
Who could make your world go in slow motion  
Kinda like a movie, that's the way she do me  
Have you ever met somebody who could stop the hands of time and make you wait  
Make you love in slow motion

Ordinarily, I woulda bounced by day three  
On to the next girl, scroll to delete on my cell phone screen  
But a voice kept callin me  
It was the way, she would whisper in my ear that I was her man  
The slightest little touch of her hand  
Everything stops (pause)  
She's got me high

(thee angle of her chin  
the color of her skin)

And when she saw me stare  
She acted like she didn't care  
I didn't say a word, but my intensions were  
To touch her, and kiss her

chorus)  
Have you ever known a girl  
Who could make your world go in slow motion  
Kinda like a movie, that's the way she do me  
Have you ever met somebody who could stop the hands of time and make you wait  
Make you love in slow motion

She is truly something  
I can't belive that I'm love and  
She feels the same way (same way)  
She is so amazing  
My heart ain't never breaking  
Cuz she's my baby

I could go on for days (yea yea, yea yea)  
Talkin bout her sexy ways ( yea yea, yea yea)  
Kinda girl that makes me weak (yea yea, yea yea)  
Can't believe she wants to be with me

chorus 2x's + adlib
