

Javine, Surrender (Radio Edit)

(Speaking:)

Y'know what
It's time for you to surrender your love
uh uh uh

It's not about what ya wanna know
The time is right and that's for sure
It seems so silly, but you complete me
Your hanging back just to see
Is another girl better than me
Looks so pretty, she's the kind I lead

What is it you're looking for
I give you all you want and more
It's not tricky
It's what it is, what it is

Chorus:
So just surrender your love baby
Surrender your love
Surrender your love baby
Surrender your love

(uh uh) nooo

Shy away from the deal
Ya sitting by something so real
You think your clever
But the other side is better

What is it you're looking for
I give you all you want and more
Never felt like this before
It's what it is, what it is

(Chorus)

Don't want you to let yourself go
There's so much more for you to know
Surrender won't, surrender won't no no no

It's time for you to see just what i'm worth
You've made me so proud to be the first
surrender won't, surrender won't no no no

Surrender your love baby
Surrender your love
Surrender your love baby
Surrender your love 2x

(Surrender) 3x
(Surrender your love)
