

JAWNY, Sabotage

i sabotage my love
just because
i got a little drunk on the bus
said some Staff
i am just a stupid kid
and stupid is as stupid does
i sabotage my love
my, my, my love

she made me bacon
i made her toast
she let me come in
I let her go
se don't fuck with my BS
because i am broke
she let me out for recess
and lock the door

i sabotage my love
just because
i got a little drunk on the bus
said some Staff
i am just a stupid kid
and stupid is as stupid does
i sabotage my love
my, my, my love
