

# Jax Jones & Au/Ra, i miss u

I only miss you when it rains  
Ans when i listen to the radio  
Go past your station on the train  
And then i'll think of you  
Can't help but think of you

Seasons change and i remember  
How you loved me liek September  
Time goes by and i pretend taht  
That i don't think of you

I only miss you whan i open my eyes  
And i breathe and i try to foget  
That i let you go  
I only miss you when i am closing my eyeys  
Try to sleep and i cry  
To forget that i let you go

I only miss you whan i open my eyes  
And i breathe and i try to foget  
That i let you go  
I only miss you when i am closing my eyeys  
Try to sleep and i cry  
To forget that i let you go

I only miss you when  
Da da da da da dda  
Da da da da da dda  
I only miss you when  
Da da da da da dda  
Da da da da da dda

I never talk about you now  
I hear you're happy and that's hard to know  
I sometimes Wander past your hpuse  
Because i think of you  
I always think of you

(i miss you)  
that i don't think of you  
(i miss you)  
that i don't think of you  
(i miss you)  
that i don't think of you  
(i miss you)  
that i don't think of you  
(i miss you)  
that i don't think of you  
Seasons change and i remember  
How you loved me liek September  
Time goes by and i pretend taht  
That i don't think of you

I only miss you whan i open my eyes  
And i breathe and i try to foget  
That i let you go  
I only miss you when i am closing my eyeys  
Try to sleep and i cry  
To forget that i let you go

I only miss you whan i open my eyes  
And i breathe and i try to foget  
That i let you go  
I only miss you when i am closing my eyeys

Try to sleep and i cry  
To forget that i let you go

I only miss you when  
Da da da da da dda  
Da da da da da dda  
I only miss you when
