

Jax Jones, Won't Forget You (feat. D.O.D, Ina Wroldsen)

You won't be lonely I won't let you
(Ha ha ha ha ah)
You won't be lonely I won't forget you
(I won't forget you)

Stay with me
End of time
You're the constant in my life
Stay with me
No goodbyes
We can make it if we try

(I won't forget you)

Put your arms around me
I'll never let you go
Even when the dance is done
You are not alone
Let my love surround you
Never say goodbye
Even when the lights are gone
You will feel me
Right by your side

You won't be lonely I won't let you
(You won't be lonely I won't let you)
You won't be lonely I won't forget you
(I won't forget you)

Stay with me
End of time
You're the constant in my life
Stay with me
No goodbyes
We can make it if we try

You won't be lonely I won't let you
(You won't be lonely I-I-I-I)

You won't be lonely I won't forget you
Stay with me
End of time
You're the constant in my life
Stay with me
No goodbyes
We can make it if we try

Never let you go-go
Never say good- never say good-
Go go
Never say good- never say good-
Go go
Never say good- never say good-
Go go
