

# Jay Delano, Close to you

I just wanna be close to you  
And do all the things you want me to  
I just wanna be close to you  
And show you the way I feel  
Ok, I've realised I'm nothing without you,  
Keeping you close to me is all i want to,  
stick together like Fred and Stephy, when everyone was born  
you were always with me  
You never left me though you knew  
there were times I've been really good to you  
You'll always be there only girl for me,  
Cause you I'm no longer lonely  
You're precious like diamonds and pearls,  
ain't nobody like you, girl, haven't you heard,  
That's the truth , that I love you much,  
I fall in love again, we'll be kiss and touch  
I pray to God that love will never end,  
though I do know you haven't saint  
I'll be right there for you, your wish is I can  
And I'm the one on who you can depend  
I just wanna be close to you  
And do all the things you want me to  
I just wanna be close to you  
And show you the way I feel  
You see you wanna be close to me,  
and I'm doing everything I can,  
without you I'm half the man  
I want to say girlfriend come again  
Thanking God cause you're so special  
There's one thing I want you to know  
Leaving you - I don't think so  
I'll stay with you , you're my girl, you know  
Baby girl you gotta believe when  
I say lovin' you is also easy  
I'm sending you a SMS with hugs and many kisses  
telling you're the best  
Still I pray the love will never end although  
I do know you haven't saint  
I'll be right there for you, your wish is I can  
And I'm the one on who you can depend  
I just wanna be close to you  
And do all the things you want me to  
I just wanna be close to you  
And show you the way I feel  
I just wanna be close to you  
And do all the things you want me to  
I just wanna be close to you  
And show you the way I feel  
I feel love, when I'm lying in the midnight hour,  
holding you just like a dream,  
love is never what it seems, when we touch,  
and you're holding me the way you feel  
Boy, you make my dreams come true  
you make my dreams come true  
I just wanna be close to you  
And do all the things you want me to  
I just wanna be close to you  
And show you the way I feel
