

# Jay Delano, Here Comes The Sun

Here comes the sun  
And the day has just begun  
So come on and let's have some fun  
If you really think that you're the one  
Just come on and let's have some fun  
Here comes the  
Here comes the  
Here comes the sun  
It's summer time and it feels so good  
To be on the street  
Come join if you feel me  
I like to join and get you in the mood  
Come get with the crew  
oooh just let yourself go  
Ain't no need to be afraid  
Hurry up and don't be late  
Just hold somebody by the hand let's dance  
I'll betcha you will feel the same,  
Let the .... .... change  
Don't hesitate cause it might be your last chance  
Here comes the sun
