## Jay Delano, My Angel

You are my angel, you are my love You came from heaven into my life Oh girl I'm lovin' you for the way you are baby My God you're so unique you know drive me crazy I love the way you walk, when you talk when you move and when you speak You make my life complete, girl you are the one I need I'll do anything yes I'll do... And there ain't nothing that I wouldn't do for you... Baby I can't describe in words how you make me feel Please stay the way you are becouse you know that you're keepin' it real I really wanna be your only man if someone talks sheet I don't care About what people have to say, I love you anyway I'll do anything yes I'll do And there ain't nothing that I wouldn't do for you... Couse you know I love you baby Anything that you ask I will do Oh yeah...
