

# Jay-Jay Johanson, Quel Dommage

Quel Dommage

This was supposed to last forever

I used to say it's now or never

Quel Dommage

Quel Dommage

I never meant to cause you sorrow

If it's gone today there's no tomorrow

Quel Dommage

I could be wrong I could be right

Oh baby, don't turn on the lights

You look so gorgeous in the light of the moon

Stay until noon, my love

But in the dark you went away

All I can do now is to pray

It seems that all you ever left in my room

Was me alone again
