## Jay-Jay Johanson, Quel Dommage

Quel Dommage This was supposed to last forever I used to say it's now or never Quel Dommage

Quel Dommage I never meant to cause you sorrow If it's gone today there's no tomorrow Quel Dommage

I could be wrong I could be right Oh baby, don't turn on the lights You look so gorgeous in the light of the moon Stay until noon, my love

But in the dark you went away All I can do now is to pray It seems that all you ever left in my room Was me alone again
