

Jay-Jay Johanson, Tell Me Like It Is

I wanna know if you've been true to me
I've heard that you've been cheating with a friend
I wanna know if you've been true to me
I heard that you've been cheating with a friend

Oh darling tell me like it is
I wanna know
Tell me like it is
Or let me go
Who's in your dreams
Is it me or him
Please honey let me know
Please honey let me know

But I'm older now, much older than I was, when I was young
