[Vita:]

True baby

It's only for you baby

Vita thighs only divide if you beside

Cuz I love the way you touch me

Nobody can get it

And if it's comin' and gunnin'

Just come in it and spit it

So when ya gone for a minute

I just fantasize like if it's you It's all in it

Then I'm satisfied til' you come back to me

Holdin stack and jewels

V-i-t-a and my nigga J-a RULE baby

[Chorus:]

[Ashanti:]

I'm gonna be here when ya need

RULE baby can always count on me

No you don't ever have to worry

You know I'll make it in a hurry

And I wont never leave tears for ya

Cuz boy ya got to me

There will never be another for me

You'll always be my one and only

[Ja Rule (Ashanti):]

On one their good days

You smile like sun rays 5'5 with brown eyes and thick legs

Only for the RULE baby

[Chorus:]

[Charlie Baltimore:]

Now baby I told you I can show you better than I can tell you

Don't try to bring conversey and mail

And I diss any clown ass rockin my brown ass only a down ass
