You can tell your girlfriends about me
It's about time to get rowdy
You know I wanna work that body
Come work it over here

You can be my brown-eyed beauty
And I bet you see right through me
You can do anything to mr

[Bridge:]
You're so beautiful
Tonight anything is possible
And you know I just can't get enough
Of your love, so give it up

[Chorus:]
Got my eyes on you
Won't you bring that back to me
Got my eyes on you
You know where I'm gonna be
Got my eyes on you
And I see you checkin me
Got my eyes on you
And I like what I see

You can tell anyone about it
Show it off, no need to hide it
C'mon get a little excited
Excite it over here

Don't stop baby girl don't stop
I know you really like it when you're on top
Don't be shy jus give it up
C'mon girl!

[Repeat Bridge]

[Repeat Chorus]

Uh-oh-uh-oh
Your body's whining
Uh-oh-uh-oh
Bumpin and grindin'
Uh-oh-uh-oh
