Flier than a piece or paper bearing my name,
Got the hottest chick in the game wearing my chain, thats right HOV

By any means on wheneva there's a drought get yo umbrellas out because thats when i brainstorm
U can blame Sean but i ain't invent the game,
I just rolled the dice trying to get some change,
And i do it twice ain't no since of me lying as if I am a different man,
And i can blame my enviroment but there ain't no reason why i be buying expensive chains.
I hope you don't think users are the only abusers niggas gettin high within the game.
If you do then how would u explain I'm ten years removed, still the vibe is in my veins.
I gotta hustler spirit, nigga period.
Look at my hat yo peep the way i wear it,
Look at my swag yo i walk like a ball player,
No matter where u go u are what u are player,
And u can try to change but thats just the top layer,

Only GOD can judge me so I'm gon,
Either love me or leave me alone.
