Jay-Z, It Ain't Personal

[Jay-Z]

Man, they go and tell me like you never know who your true friends until you ah umm both got a little bit of money I mean cause y'all both broke then there's no strain on the relationship, y'all both broke And if you got money and he ain't got no paper He still needs you so you'll never know how he really feel about you When y'all both get some paper, you'll see

[R. Kelly + (Jay-Z)]

We used to get money together, phone honies together Pushin chromed out twinkies in custom coach leather You claim it's all love, but nigga it's whatever Cause this is business, it ain't personal Same dream, same team, same schemes (mm) We even sold to the same damn fiends (how real is dat?) Ain't no rules in this war for this green This is business, and it ain't personal

[Jay-Z]

Look, I'm a grown man dog And I ain't got time to be runnin behind y'all I know when I first started it was crazy to y'all "He's gon' start his own label, he'll never be able" Well, nigga you've been wrong before And you'll be wrong again if you bet against him We move through the hood like identical twins But it just so happen that a nigga made it rappin You showed your true colors, y'all niggaz stay yappin That don't stop him, a nigga weigh platinum Stop through the hood, to say what's happenin?
