Jay-Z, What They Gonna Do, Part 2

Oh yeah, uh oh Y'all know who it is (he's back)

If you with me, throw the diamond up one time Ladies, if you with me, just grind to the bass line Niggas, don't be scared to grab her from behind And make her show out her wild side, stick out her backside

Now what the fuck they gon' do with me Got money, got broads, got a crew with me Real as banana clips, I got a Sue with me Get down or lay down nigga to shoot with me Now how the fuck they gon' deal with me I ain't going nowhere, they gotta deal with me Got the whole BK ready to kill with me You scared motherfucker, keep it real with me, keep it real with me Now what the fuck they gon say to me Got to clap, yi mean all day with me, CLAP, yi mean Don't play with me, CLAP, yi mean Stay with me, don't lose me y'all And please don't confuse me with dog, I'm different I bought it back for a living 33 O's on a bitch back like Pippen 3 She can keep for herself and distribute 36 O's and a ki, you do the addition Before Mitchell and Ness did it I was moving birds like a Oriole fitted I'm Cal Ripken Jr. let's get it

[Chorus]

Hon' what they gon' say to you
Got your hair did and your favorite shoes
Tell'em don't play with you, get'em away from you
You need a baller like I, call'em like I
See'em like naaaa
Move over y'all amateurs
No, you not balling that's Pro-Am shit
Oh, stop calling that's hoe-man shit
Stop falling asleep that's old man shit
I stands up in it like a champ up in it
Be up in it so long, get my calls transferred in it
No more minute man in it
Get my Soundscan, BDS, and Market and Glance in it

[Chorus]

What they gon do' You got starch in your flow I flow too many ways, got a arch in my flow All sorts of flow, Rembrandt, Rilkey I am art with the flow Even if I'm filthy, you gotta pardon the flow Niggas taking it lightly, had to darken the flow Way I put it together, tear'em apart with the flow I'm too smart with the flow, you just started the flow Stop it youngin, you 106th & Dark with the flow I am pro, as you see I'm off the charts with the flow Actually I'm number one on the charts with the flow In some places they say this, I am God with the flow Like my office, but they're biased, too involved with the flow (Oh no) I am the youth spirit, I am y'all with the flow Troubled man, dare I say, I am Mar with the flow I come up hard but I evolve with the flow

Crossover, slam dunk, Rucker Park with the flow [Chorus]
