

# Jazmine Sullivan, Bust Your Windows

I bust the windows out your car  
And no it didn't mend my broken heart  
I'll probably always have these ugly scars  
But right now I don't care about that part

I bust the windows out your car  
After I saw you laying next to her  
I didn't wanna but I took my turn  
I'm glad I did it 'cause you had to learn

I must admit it helped a little bit  
To think of how you'd feel, when you saw it  
I didn't know that I had that much strength  
But I'm glad you see what happens when

You see you can't just play with people's feelings  
Tell them you love them and don't mean it  
You'll probably say that it was juvenile  
But I think that I deserve to smile  
ha ha ha ha ha

I bust the windows out your car  
You know I did it 'cause I left my mark  
Wrote my initials with the crowbar  
And then I drove off into the dark

I bust the windows out ya car  
You should feel lucky that that's all I did  
After five whole years of this bull\*\*\*\*  
Gave you all of me & you played with it

Oooh ahh...  
I must admit it helped a little bit  
To think of how you'd feel when you saw it  
I didn't know that I had that much strength  
But I'm glad you see what happens when...

You see you can't just play with people's feelings  
Tell them you love them and don't mean it  
You'll probably say that it was juvenile  
But I think that I deserve to smile

(Incomprehensible) out ya car  
But it don't comfort to my broken heart  
You could never feel how I felt that day  
Until it happens baby you don't know pain

Oooh Yeah I did it (Yeah I did it)  
You should know it (You should know it)  
I ain't sorry (I ain't sorry)  
You deserved it (You deserved it)

After what you did to me (After what you did)  
You deserved it (You deserved it)  
I ain't sorry (I ain't sorry)  
no no oh... (I ain't sorry)

You broke my heart  
So I broke ya car  
You caused me pain (You caused me pain)  
So I did the same

Even though all that you did to me was much worse  
I had to do something to make you hurt yeah

Oh but why am I still cryin'?  
Why am I the one whose still cryin'?

Oh oh you really hurt me baby  
You really you really hurt me baby  
Hey, hey, hey  
Hey, hey, hey  
hey hey hey hey  
now watch me yua  
now watch me ha ha ha

I bust the windows out ya car
