

# Jazmine Sullivan, Girl Like Me (ft. H.E.R.)

I made a profile on Tinder  
Since you left me to be with her  
I think that means i am getting desperate  
Wish i could return to sender  
But you don't love me no more  
And i don't even know what for  
yeah yeah yeah

Knew it was real when you blocked me  
Now i sit at home judgin' my body  
Wondering what i did to lose you  
Why in the hell you ain't choose me?  
Why you don't love me no more  
And i don't even know what for  
nah, nah nah
