

Jazzamor, Ain't No Sunshine

Aint no sunshine when shes gone
Its not warm when shes away
Aint no sunshine when shes gone
And she's always gone to long
Wonder this time where shes gone
Wonder if shes gone to stay
Aint no sunshine when shes gone
And this house just aint no home
And I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know, I know, I know
Go in, if you sing along,
Ain't no sunshine when she's gone,
Its not warm when she's away,
Ain't no sunshine when she's gone,
And shes always gone too long.
And I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know, I know, I know
Go in, if you sing along,
Ain't no sunshine when she's gone,
Its not warm when she's away,
Ain't no sunshine when she's gone,
And shes always gone too long,
Ain't no sunshine when she's gone,
And shes always gone too long.
