

Jazzy, Giving Me

Hugging me, touching me
(Hugging me, touching me) mm
(Hugging me, touching me) mm
(Hugging me, touching me)
(Hugging me, touching me) yeah
(Hugging me, touching me)
(Hugging me, touching me) ooh
(Hugging me, touching me)
I blame you for all the hurting, all the pain
All the sunshine and the rain (yeah, yeah)
This feeling that I know you're giving me
No lies or loving me, hugging me, touching me
