

# JC Chasez, All Day Long I Dream About Sex

So you wanna be a rockstar  
Keep it going, don't stop  
Work it while you're on top, call the cops  
Rollercoaster riding, baby  
Up and down  
I love to watch you do it  
I just want to get close to you  
Find out what it takes to move you  
Feel the rhythm, hit the spot, getting hot  
All night long  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
Keep in mind, I'm a love machine  
Get it twenty four seven, call me any time you need  
Some extra attention, did I forget to mention  
School's back in session, get ready for a lesson  
I just want to feel alive  
And do what it takes to satisfy you  
Hour after hour baby  
All night long with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you  
All day long I dream about sex  
And all night long I think about sex  
And all the time I think about sex with you, with you
