

Jean Shepard, I Forgot To Care

You forgot to call me up you left me sittin' there
You forgot quite a lot and I forgot to care ah ah ah oh yeah
You forgot to fill me in on your new love affair
You forgot quite a lot and I forgot to care ah ah ah ah ah
You forgot the tender loving care you know I need
I sat around and cried a lot now I'm back on my feet
You forgot so many things now we don't have a prayer
You forgot quite a lot and I forgot to care ah ah ah ah ah hmm hmm
[guitar]
You forgot the tender...
You forgot quite a lot and I forgot to care ah ah ah ah ah
