

# Jean Shepard, Seven Lonely Days

Seven lonely days make one lonely week seven lonely nights make one lonely me  
Ever since the time you told me we were through  
Seven lonely days I've cried and cried for you

Oh my darling I'm crying hoo hoo hoo hoo  
There's no use in denying I've cried for you  
What's your favorite past time just a making me blue  
Last week was the last time I cried for you

[ steel ]

Seven hankies blue I filled with my tears seven letters too I filled with my fears  
Guess it never paced to make your lover blue  
Cause seven lonely days I've cried and cried for you  
Oh my darling I'm crying hoo hoo hoo hoo...  
Seven lonely days make one lonely week...  
Seven lonely days make one lonely week...
