

# Jean Shepard, Take Me As I Am (Or Let Me Go)

Why must you always try to make me over take me as I am or let me go

White lilies never grow on stalks of clover take me as I am or let me go

You're trying to reshape me in a mold love

In the image of someone you used to know

But I won't be a standing for an old love take me as I am or let me go

[ steel ]

You've tried to change me ever since you met me take me as I am or let me go

If you can't overlook my faults forget me take me as I am or let me go

You're trying to reshape me...
