

Jean Shepard, Walk On Out Of My Mind

I hear the echo of your footsteps they're right in step with marching time
Since you've walked out of my life out of my world please walk on out of my mind
[harmonica]

I know you're hiding there in the darkness it's got me running scared and blind
Since you've walked out of my life out of my world please walk on out of my mind
[harmonica]

You've got footprints all over my mem'ries I must erase them if I can
You keep a stumbling through my hopes and dreams keepin' around my future plans
You've got me walkin' round in circles lookin' for something I'll never find
Since you've walked out of my life out of my world please walk on out of my mind
