

Jean Shepard, World Needs A Melody

World needs a tune that it can hum hm hm hm

World needs a guitar that it can strum

World needs a melody it can sing sing sing sing let's all sing together

In the sweet by and by we shall meet on that beautiful shore together

World needs a bell that it can chime the world needs a drum to keep the time

World needs a melody it can sing sing sing sing let's all sing together

We come together down by the riverside uh uh uh together

World needs a reason to clap its hands world needs a leader for its band

World needs a melody it can sing sing sing sing let's all sing together

Give us that old time religion give us that old time religion uh uh uh together

In the sweet (give us that old time religion)

In the sweet (give us that old time religion)

In the sweet (give us that old time religion) uh uh uh together
