

# Jeanie Lurie, Most days ago

ref. Most days ago on my own  
i got you on my phone  
most days ago another hope  
gonna be with me that night  
most days ago on my own  
i am hearing when you crying  
most days ago on my own.  
ooh. moast days ago.  
i watch you now hear me clear  
i not gonna to hurt you  
but i know that...

ref. Most days ago on my own  
i got you on my phone  
most days ago another hope  
gonna be with me that night  
most days ago on my own  
i am hearing when you crying  
most days ago on my own.  
ooh. moast days ago.  
now you fell, i could dream  
here me when i am singing  
cause i know that...

ref. Most days ago on my own  
i got you on my phone  
most days ago another hope  
gonna be with me that night  
most days ago on my own  
i am hearing when you crying  
most days ago on my own.  
ooh. moast days ago.  
yeah. ago.
