

Jeannie C. Riley, Change Of Heart

A change of heart would ben' mine eventually a changin' of mind
Be consider and you will find a change of heart would bein' mine

Please realize it's not too late we're still the masters of our fate
A type of love is hard to bein' find a change of heart would bein' mine

But you go on from day to day letting pride stand in our way
Don't you think now uit's the time a change of heart would bein' mine

Life is so short don't hesitate too many found out they're too late
Before we break the ties that bind a change of heart would bein' mine

A change of heart would ben' mine...
A change of heart would ben' mine...
