

# Jebediah, Military Strongmen

I'm on parade, you don't say: why can't you see that  
Keeping my feelings at bay: why can't you see that when

When you're around, you just get me down, I'm better off without you x 2  
I'm just better off...

All of the years add up to: why can't you see that  
Something has happened to you: why can't you see that when

When you're around, you just get me down, I'm better off without you x 4  
You just get me down

It's not me, it can't be  
I'd rather leave  
It's getting hard, to be a part  
Of what is around  
Is this the situation of the time  
If so you can have yours, I want mine  
I know there's something better you could be  
Now I am past caring, completely

When you're around, you just get me down, I'm better off without you x 4
