Jedi Mind Tricks, Retaliation

[Verse 1: Jus Allah] The metal inside the barrel passes Through the frames in your glasses Quick passage, leave your dome piece backless Envision blackness, leave you hatless, fucking capless Watchin niggas dig the spot where the earth's crack is Hard to graph like science and math is The cavemen who don't practice and live backwards We oxen with streets is watchin Release shotguns, niggas got Dietz and Watson Feel no love, no way you shield the slugs The ill thugs, we box with steel gloves Doubt my faith, you can taste the slug case Leaving niggas looking like dogs with the pug face Even your girl can catch the capsule I love pussy but never the bitch that it's attached to

[Chorus: Ikon]

Why you wanna battle wit kids with steel tongues? Who rip up mics and drink puerto-rock rum 85 (the 85%): face the truth, you're too dumb If retaliation comes yo then fuck it it just comes
