

Jedi Mind Tricks, Scars Of The Crucifix

(movie quote: The Addiction)

I finally understand what all this is

How it was all possible

Now I see, good Lord, how we must look from out there

Our addiction is evil

Vinne Paz:

My brain's on another level than yours

you can only comprehend half of what my memory stores

I only walk through the heavenly doors

And never try to see the penitentiary walls

I walk barefoot under your cradle

With the mental acumen of Bob Lazar

My frame can't be explored by your radar

My name can't be absorbed in God's quasar

so why try stay around this hell

twelve dell

from all the twelve tribes of israel

They call me ishmael

lord of the sea

i take your life quick

gone in the fuckin breeze

you don't deserve to breathe

your brain thoughtless

while i remain in the same spain fortress

But pain's gorgeous

and love is torture

And anyone who tell you different is a martyr

I'm from the pits of hell

Escapin from an egyptian cell

I dedicate this

to the saints that

to envision jail

you fuckin kids are frail

And we're the purest form

and the biology of magic is a gorgeous psalm

My deepest thoughts are strong

and im unbreakable

you wanna overstand

you're humanly incapable

My appetite for blood is gruesomely insatiable

And im a righteous thug thats brutally defacin you

and you dont want no war

it aint a game daddy

i spit a bunch of slugs into you fuckin frame daddy

you just a fuckin crumb

my click is hustlin dumb

i spit a rap at you to liquify your guts and lungs

but the devil made me do that

fightin for the rights of this law

armed with two gats

but y'all knew that

we was comin for blood

and your body the perfect specimen to put in the mug

were not evil because of the evil we do

we do evil becausee we are evil

I civilize the savages

wile you support gay marriages

evil demons and the jesus of the nazareth

i keep my blade more sharper than a cactus is

I keep grenades in my parka for the pacifists
And you can't lie to God cousin
And you can't lie to the great master fard cousin
It's a facade cousin
They want to lie to you
They want to tell you that the governments reliable
They want to tell you that islam is dangerous
When everybody know the christians are to blame for this
Cause it's the truth deal with it
But you complain every time i'm real with it
I'm bout to kill critics
and them take 'em to war
and teach em how to put they love and they faith in allah
Or I'm breakin they jaw
Or i take 'em to burn
Cause thats the only fuckin way that the pagans will learn
