

# Jeff Bates, I Wanna Make You Cry

How long has it been  
How long have you held it in  
And how long will you wait  
Before you let somebody take your breath away, again

I wanna be the one who turns you on  
Makes love till the lonely's gone  
Be the man you have dreamed of all your life  
I swear I'll make it last untill tears of joy come pourin from your eyes  
I wanna make you cry

Tell me what to do  
And I'll do what you want me too  
Cause darlin I believe  
That I have fallen hopelessly and helplessly for you

I wanna be the one who turns you on  
Makes love till the lonely's gone  
Be the man you have dreamed of all your life  
I swear I'll make it last untill tears of joy come pourin from your eyes  
I wanna make you cry

I swear I'll make it last untill tears of joy come pourin from your eyes  
I wanna make you cry

I wanna make you cry
