

Jeff Bates, Make Me Weak

I was raised to be tough
And stand my ground
To face life like a man
And never back down

But there are times
When giving in aint wrong
And baby, tonight I'm tired of being strong

Chorus
Make me weak
I wanna lose control
And I dont wanna be incharge tonight
I wanna let go
Make me weak and I'll surrender to your love
And let your touch make me weak

In your hands I can feel love in the dark
Tonight your in command
So here's my love
Baby keep me helpless all night long
Till every ounce of love in me is gone

Chorus

I was raised to be tough
And stand my ground
To face life like a man
And never back down
