Jeff Buckley, If You Knew

If you knew

If you knew how I miss you You would not stay away Dont you know how I need you. Stay here, my dear, with me.

I need you here beside me Forever and a day Together, never parted Just you, just me, my love

I cant go on without you. Your love is all Im living for I love all things about you. Your heart, your soul, my love

I cant go on without you Forever and a day I need you here beside me Forever and a day and no-one else betides me I love you, I love you.
