

# Jeff Buckley, Last Goodbye

This is our last goodbye  
I hate to feel the love between us die  
But it's over  
Just hear this and then i'll go  
You gave me more to live for  
More than you'll ever know

This is our last embrace  
Must I dream and always see your face  
Why can't we overcome this wall  
Well, maybe it's just because i didn't know you at all

Kiss me, please kiss me  
But kiss me out of desire, babe, and not consolation  
You know it makes me so angry 'cause i know that in time  
I'll only make you cry, this is our last goodbye

Did you say 'no, this can't happen to me,'  
And did you rush to the phone to call  
Was there a voice unkind in the back of your mind  
Saying maybe you didn't know him at all  
You didn't know him at all, oh, you didn't know

Well, the bells out in the church tower chime  
Burning clues into this heart of mine  
Thinking so hard on her soft eyes and the memories  
Offer signs that it's over... it's over
