Jeff Buckley, Your Flesh Is So Nice

I want to tell you a story
About a little cutey
She's ass-slappin' pretty
And voluptuous fingers
Wanna let her lick me
Stick the thick of my pussy
And as I cross the street
She looks good enough to eat me

Kitty!
Your flesh is so
Your flesh is nice
Your flesh is nice
Let me take a bite
Flesh is so nice

Oh, I take off my belt
Oh, I whip the staircase
Whip the staircase
Oh, kill all the men
Everything's dead to them
You're the only one I follow
Come on and let me give you that 'O'

Flesh is nice
Your flesh is so
I wanna take you twice
Your flesh is nice
Your flesh is so
Your flesh is nice

Your flesh is nice
Wanna take a bite
Your flesh is so [x13]
Your flesh is so nice [x9]
Your flesh is so [x3]
Your flesh is nice
Your flesh is so
Your flesh is nice
Your flesh is so
Your flesh is nice [x4]
