

Jeff Carson, My One And Only Love

If it wasn't for that woman
I wouldn't be where I am today
I'd still be out there drinking
With my friends who got lost along the way

Like an angel straight from heaven
She wrapped me in the tender arms of love
Her and Jesus must be buddies
She made me better than I ever was

She's all I need
Cut her, and I bleed
She's my one and only love
When she cries, I cry
When she dies, I die
She's my one and only love

I don't mean to be a preacher
But there's some things that's troubling my soul
There's so many lonely people needing love
Hanging on or letting go
And when I look in th mirror
I ask myself how lucky can you be
I don't know if I'm worthy
I just know she means the world to me

She's all I need
Cut her, and I bleed
She's my one and only love
When she cries, I cry
When she dies, I die
She's my one and only love
Oh, she's my one and only love
