

# Jeff Deyo, Sacrifice Of Praise (As I Worship)

As I seek you  
Let me find you  
As I search for you  
With all my heart

As I praise you  
Let me know you  
Let me love your ways  
And trust your heart

Don't let my heart be hardened  
Don't let my words be insincere  
Fill me to overflowing

As I worship  
As I glorify your name  
Won't you make me  
A sacrifice of praise  
As I bow down  
As I magnify your name  
Won't you make me  
A sacrifice of praise  
A sacrifice of praise

Don't let my heart deceive me  
Don't let me turn from your desires  
Show me the way to freedom

Make me an instrument  
Of pure design  
Fully obedient  
Fully refined
