

Jeff Healey, Blue Jean Blues

I done run into my baby,
And finally found my old blue jeans
Well, I done ran into my baby,
And finally found my old blue jeans

I knew they was mine,
By the oil and the gasoline, yeah

If I ever get back my blue jeans,
Well how happy could one man be?
I said, uh, if I ever get back my blue jeans,
Well, how happy can one man be?
'Cause when I get back those blue jeans,
Yeah, you know my baby,
Will bring em home to me
Yeah, yeah

Yeah, yeah, yeah, yeah
