

Jeff Healey, How Long Can A Man Be Strong

I've been a restless,
For a long, long time
Tryin' to find a home
For heart of mine
The nights are lonely,
And the days are long
It's hard to find a reason,
To carry on

But all this searchin',
Is it ever gonna end?
Must I keep on losin',
Again and again?

Tell me, how long can a man be strong?
How long must he carry on,
Without the love of a woman,
To call his own?
Tell me, how long can a man be strong ?

It's on every man's mind,
To find that special girl
Some of them getta lucky
But I'm alone in this world

Still I know she's out there somewhere
So I'm gonna keep tryin'
Someday I'm gonna find her,
It's just a matter of time

As long as I've been waiting,
I know she's been waiting, too
Hold on a little longer,
I'm all the way to you

Now ever since this world began,
It takes a woman to make a man
Now I need someone!
Don't you know I need someone?

Ooh

But all this searchin',
Is it ever gonna end?
Must I keep on losin',
Again and again and again?

Yeah
Oh keep on waiting
Oh noooo
Yeah
