

Jeff Lynne, Doin' That Crazy Thing

Doin' the crazy thing, doing the crazy thing
Doin' the crazy thing, doing the crazy thing

Crazy lady commin' cross the floor
Don't know her name just gotta get more, gotta get more
Read it on the rhythm of the midnight hour
Baby's got me goin' gotta do it now

Caus' everybody's doin' it, doin' it, doin' it, doin' the crazy thing
Do the crazy thing

Ahy, you lookin' outta' sight
Won't you get on the floor, get on the floor, your gonna feel all right
Dancing with your penny tonight,

Cause everybody is doin' it, doin' the crazy, crazy, crazy thing
Everybody's doin' it, doin' the crazy, crazy, crazy thing

They come a dancin' like their souls on fire
She's taking everybody higher, and higher, and higher
Everybody's moving on that red hot floor

Gotta keep on movin' we can get it now

Caus everybody's doin' it, doin' it, doin' it, doin' the crazy thing
Doin' the crazy thing.

Hay, your looking outta sight
Won't you get on the floor, get on the floor, your gonna feel all right
Dancing with your baby tonight, 'cause everybody's doin' it

The crazy lady gonna stay with me
We gonna dance the night away till three
Dance getting better as the band plays on
Me and my baby gonna do it all night long

Caus everybody's doin' it, yeah, doin' it, all right, doin' it,
Doin' the crazy thing, doin' the crazy thing

Everybody's doin' it, doin' it, doin' it, doin' the crazy thing
Doin' it, doin' it, doin' it, doin' the crazy thing
Doin' it, doin' it, doin' it, doin' the crazy thing
