

Jeff Lynne, Goin' Down To Rio

Goin' down to rio, goin' down to rio,
Goin' down to rio, goin' down to rio

There's a place down rio town
Where everybody hangs around
And they all do the crazy thing
Dance a lot and love to sing

Goin' down to rio, goin' down to rio

All right

Goin' down to rio, goin' down to rio
Goin' down to rio, goin' down to rio

Take a trip down rio
Where I goin' down there any day
Where the folks all have a ball
Just go down there for any all

Goin' down to rio, goin' down to rio

All right, that's nice, I'm going to rio

Goin' down to rio, goin' down to rio
Goin' down to rio, goin' down to rio

Take a trip down rio where
I'm goin' down there any day
Where the folks all have a ball
Just go down knock on any door

Goin' down to rio, goin' down to rio
Goin' down to rio, goin' down to rio
Goin' down to rio, goin' down to rio

Goin' down to rio
