

Jeff Lynne, Sooner Or Later

I'm walking down the street I used to walk with them
Rain is falling down on me
Every step I take just leads to another
Now there's nothing in my way

No I don't no what I can say
And you wouldn't listen anyway
Sooner or later, later, later, oh oh oh, gonna find you
Sooner or later, later, gonna get to you

I got the message late last night, that's when it hit me
Though it over and over and over and over again
While I was drowning in the sea of your devotion
But you were miles and miles and miles away

Oh you wouldn't no what things to say
And you wouldn't say them anyway
But sooner or later, later, later, oh oh, gonna find you
Sooner or later, ah ah ah, gonna get to you

Sooner or later, later, later, gonna find you
Sooner or later, ah ah ah, gonna get to you

The sun is shining, making shadows on the wall
But night will soon be comin' in
And every where there will be misery, misery, misery
Until I get to you again

Oh I never new you wanted to leave
You never thought about talkin' to me
Sooner or later, later, later, oh, oh, gonna find you
Sooner or later, ah ah ah, gonna get to you

Sooner or later, later, later, oh, oh, gonna find you
Sooner or later, ah ah ah, gonna get to you

I don't know what I can say
But you wouldn't listen anyway
Sooner or later, later, later
Sooner or later, later, later, gonna get to you

Sooner or later, later, later, gonna find you
Sooner or later, later, later, gone get you

Sooner or later, sooner or later,
Sooner or later, sooner or later,
Sooner or later, sooner or later
