

Jeff Scott Soto, I Want To Take You Higher

Hey, Hey, Hey, Hey!

Feeling's getting stronger
Music's getting longer too
Music is flashing me

I wanna, I wanna
I want to take you higher
I wanna to take you higher
Baby baby baby light my fire
I wanna take you higher
Boom shaka-laka-laka Boom shaka-laka-laka Boom

Hey, Hey, Hey, Hey!

Feeling's nitty-gritty
Sound is in the city too
Music's still flashing me

Don't ya, Don't ya wanna get higher?
Do ya want to get higher?
Baby baby light my fire
Do ya want to get higher?
Boom laka-laka-laka Boom laka-laka Boom

Feeling that should make you move
Sounds that should help you groove
Music still flashing me, make me crazy

Well, don't 'cha, don't u wanna get higher?
Do u wanna get higher?
Baby, baby, baby, baby light my fire...
