

# Jefferey Gaines, In Your Eyes (Live, Galore)

Love, I get so lost sometimes  
Days pass, and this emptiness fills my heart  
When I want to run away, I drive off in my car  
But whichever way I choose  
I come back to the place you are

And all my instincts, they return  
And the grand facade so soon will burn  
Without a noise, without my pride  
I reach out from the inside

In your eyes  
The light, the heat, I am complete  
I see the doorways to a thousand churches  
The resolution of all my fruitless searches  
Oh, I see the light and the heat  
Yes, I want to be that complete  
I want to touch the light, the heat I see in your eyes

Love, I don't like to see so much pain  
So much wasted, and each moment is slipping away  
I get so tired working so hard for our survival  
But I look to these times with you  
To keep me awake and alive

And all my instincts, they return  
And the grand facade so soon will burn  
Without a noise, without my pride  
I reach out from the inside

In your eyes  
The light and the heat, I am complete  
I see the doorways to a thousand churches  
And resolution of all my fruitless searches  
Oh, I see the light and the heat  
Yes, I want to be that complete  
I want to touch the light, the heat I see in your eyes  
Ooo, in your eyes  
Ooo, in your eyes
