

Jefferey Gaines, In Your Eyes (Peter Gabriel Cover)

Love, I get so lost, sometimes
Days pass and this emptiness fills my heart
When I want to run away
I drive off in my car
But whichever way I choose
I come back to the place you are

All my instincts, they return
And the grand facade so soon will burn
Without a noise, without my pride
I reach out from the inside

In your eyes
The light the heat
I am complete
I see the doorway to a thousand churches
and resolution of all the fruitless searches
Whoa I see the light and the heat
Yes, I want to be that complete
I want to touch the light, the heat I see in your eyes

Love, I don't like to see so much pain
So much wasted and each moment is slipping away
I get so tired working so hard for our survival
I look to these times with you to keep me awake and alive

And all my instincts
they return
and the grand facade
so soon will burn
Without a noise
without my pride
I reach out from the inside

In your eyes
The light the heat
I am complete
I see the doorways to a thousand churches
and resolution of all my fruitless searches
Whoa, I see the light and the heat
Yes, I want to be that complete
I want to touch the light,
The heat I see in your eyes
Ooh, In your eyes
Ooh, In your eyes
